Dear Sir

**RE: REDISTRIBUTION OF FEDERAL ELECTORAL BOUNDARIES IN QUEENSLAND**

With regard to the proposed changes to the Federal Electoral Boundaries in Queensland and, in particular, the alterations to the Division of Capricornia and the creation of the new Division of Wright, Livingstone Shire Council would like to voice its support for Fitzroy Shire Council's position.

The splitting of Fitzroy Shire with a portion in each of two (2) Divisions is far from ideal and given the connectivity would support it being in the Division of Capricornia.

We further support the name of the new Division being "Archer" rather than "Wright", for the same reasons as does Fitzroy Shire.

Yours faithfully

**MR PETER FRANKS**
