Dear Sir/Madam,

We write in reference to the proposed redistribution of Queensland Federal Boundaries.

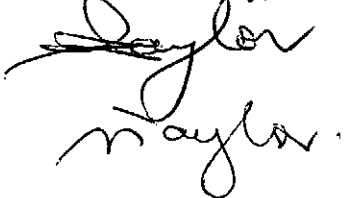

We are unhappy with the proposed changes to split Hervey Bay and Maryborough into two different electorates. Let common sense prevail and keep these two cities in one electorate.

Our elected members, Federal State and Local all work well together to obtain funds to promote Hervey Bay and Maryborough as one destination therefore obtaining "best bang for their buck". This obviously must work for the better – financially, environmentally and for all other services. From this, all residents in the current area benefit greatly.

Our concerns are if the redistribution goes ahead our city, Hervey Bay, will be too isolated from the other major centre in the new area to build a bond and therefore a good working relationship with their elected members. Distance is tyranny.

Please keep our Cities in the one Electorate.

Yours sincerely,

Lyall & Gerrie Taylor
