Dear Sirs

Re:- Proposed Federal Electoral Distributions

At the general meeting of Council held Monday 17th July 2006 the matter of the new proposed electoral division of "Wright" was discussed.

I was instructed to advise Council is opposed to the redistribution detailed in the current proposal. Council is fully supportive of the objections raised by the Remote Area Planning and Development Board (RAPAD) and the Western Queensland Local Government Association (WQLGA). However, Council is concerned that the Commission may not be fully informed of the opposition to the proposal unless Community meetings are held within the proposed new area. Council urges the Commission to travel to centres such as Longreach and hear first hand the objections residents of the affected areas have.

It is felt this is the only way to gauge true Community feelings and I again urge you to hold the aforementioned meetings.

Thank you for your consideration of this matter.

Yours faithfully

V A Becker
CHIEF EXECUTIVE OFFICER
