**№ - 9 1**

Dear Sir/Madam,

I wish to strongly object to the proposed Redistribution which would change my Dawson seat to Capricornia.

The disadvantages would certainly outweigh the advantages, of being moved to Capricornia

I would be only minutes from the electorate of Dawson, yet hours away from the Rockhampton based electorate of Capricornia

I believe this redistribution would contribute to the valuation on my rural property significantly decreasing

At present as a victim of a horrific car crash where my only son was killed, and I am on currently on a disability pension.

Attending an appointment to see my Federal Member at her office would then become an approximate seven hour road journey, without taking into consideration the actual appointment.

Hoping you will give this strong objection serious consideration.

Yours faithfully

(Mrs.) Dawn E. Klibbe
