488 Queen Street
Brisbane Qld 4000

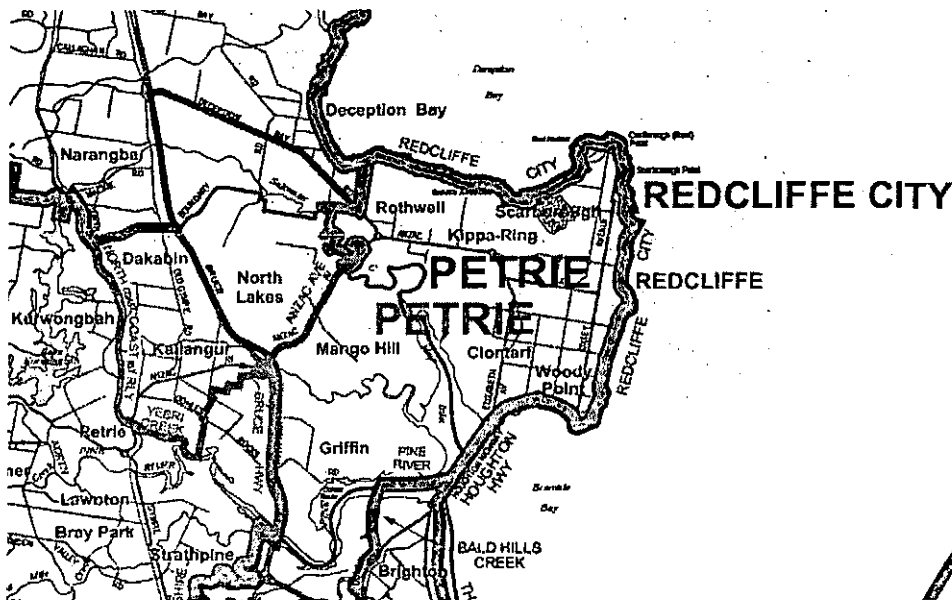

Dear Sir

RE PROPOSED ELECTORAL REDISTRIBUTION QUEENSLAND

AVJennings is a significant landowner and residential developer in the Mango Hill and Northlakes area.

The Pine Rivers Shire Council has recently completed a structure plan for the area which consists of mango Hill and Northlakes. The effect of this plan is to unite the emerging residential community on both sides of Anzac Avenue into a coordinated community in respect of transport, services, community and cultural infrastructure.

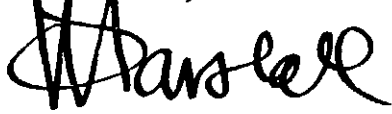

Although many of these functions may be considered to be related more to Stage and Local levels of government, in reality the two areas represent a single emerging community and it would make sense for Commonwealth functions to follow this distribution.

OBJECTION
#2-96

We request that you give consideration to this as part of the redistribution process.

Yours sincerely
