### TO WHOM IT MAY CONCERN

I am sending this email in order to fully endorse and support the comments made by the Mayor of Latrobe Council, Mr Mike Gaffney, in the public notice section of The Advocate newspaper on Saturday, 6th September 2008 in relation to the recent proposal to 'eject' the Latrobe Municipality from the Braddon electorate to Lyons.

Why not use the current Telstra T04 phone area as a guide to what the Braddon electorate should be? This area of course also includes the West Coast which has rightfully sought inclusion in the Braddon electorate.

The Latrobe Municipality is and has always been an important and integral part of the North West Coast and should, in my opinion, remain in the Braddon electorate.

Please let common and business sense be the deciding factor in the fate of the Latrobe Municipality in this instance.

Yours faithfully,
