Subject RE: Changing of Electoral boundaries

Dear Sir/Madam

I live at 57 Bucks Road Tarleton, Devonport being part of the current Braddon electorate.

I wish to strongly object to the proposed redistribution of the Latrobe municipality from Braddon to Lyons.

Latrobe is an important part of the north west coast, therefore we should be represented by someone from Braddon who is fully conversant with local matters and opinions.

Yours faithfully  
Glenda West
