Subject Re Name chage of the Tasmanian parliamentary seat of Denison to Inglis- Clark

Dear Sir/Madam,

I wish to simply support the submission by Mr. Bob Holderness\_Roddam (Submission No. 6) regarding the suggested change in name of the Denison electorate in Tasmania to that of Inglis-Clark. I believe the argument put forward in that submission clearly indicates the important role that Andrew Inglis-Clark played in the history of our nation and our state. With such a significant degree of input it is only right that he be recognised in the State that he served so well. Conversely, the aspects of Denison's attitude as indicated in the submission, should they be accurate, to my mind pale into insignificance by comparison.

I would ask that this statement be accepted as my formal, personal support for the name change. I would point out that this should not be taken, in any way, as signifying Hobart City Council support.

Yours Sincerely,

Rob Valentine

(Lord Mayor  
City of Hobart)
