Dear AEC,

I live in North Gosford on the Central Coast. I can testify as someone who lives quite close to the boundary between Robertson and Dobell that it makes sense to include Narara and Niagara Park into the electorate of Robertson due to their proximity to Gosford and significant distance from Wyong which would be considered to be central to Dobell. As a member of the community in North Gosford, these suburbs would be 5 mins drive away from me, while Wyong township is 20 mins away. I believe the inclusion of Niagara Park and Narara into the seat of Robertson in a common sense amendment to the Dobell/ Robertson border geographically.

Regards,
