**Subject:** Objection Number 48 - Redistribution Warringah/North Sydney

Hello Redistribution Secretariat,

I have today read Objection 48, as submitted by Brian Gilchrist and wish to place on record my full support for his views.

I, too, have extreme objections to the proposed re-distribution. All my "community and regional interests" are confined to Cremorne, Neutral Bay, Cammeray, Milsons Point, North Sydney, Kirribilli, McMahon's Point and Crows Nest. I never cross the Spit Bridge except in exceptional circumstances.

The proposed re-drawing is, quite simply, wrong and is, in my view, designed to ensure that more potential labour voters lie in Maxine McKew's electorate, thus ensuring her a better chance of re-election. This is a gross abuse of the electoral re-distribution process and distresses me greatly.

I would also like to place on record my concern about the very limited notice that has been provided by the AEC in respect of this change. We are an internet-based family that reads all our news online or on TV. We do not buy newspapers. How do you propose to keep families such as mine - we are not alone - informed of significant changes of this nature?

Regards,

Robert Gilchrist
