Dear Sirs

COMMENT ON OBJECTIONS

One reason you suggest for the North Sydney redistribution into Warringah electorate is that we have more community interest with Manly Vale, Allambie, Brookvale, etc than Cammeray, Milsons Point and Crows Nest.

I am afraid this is absolutely untrue. The only reason we ever cross the Spit Bridge is because one of our children has a sports match scheduled there. In fact we do not actually know where Allambie is.

Contrarily we pass through Crows Nest and Cammeray every weekend, whether for restaurants or shopping. And admittedly we do share a strong community of interest with Mosman which is part of Warringah electorate – but perhaps it then would make more sense to shift Mosman into North Sydney.

I have discussed this with a number of local residents and they are of the same idea.

Justin Templer
