Dear Sir

I would like to raise an objection to the above redistribution of the seat of Greenway. I think the change of boundaries is unfair and is based solely on the fundamental religious beliefs of the sitting member and this is an attempt to distance her from her supporter base of the Hillsong Church.

I would also think that this redistribution proposes to lump people from Windsor in with people that have a completely different day to day needs and in all likelihood we will be forgotten, ie rural issues rather than suburban issues ie transport, environment degradation, etc.

Not happy Jan
