I refer you to the proposed Maps in the new and existing seats of Hume and Throsby.

The Southern Highlands which encompasses MossVale, Bowral, Mittagong, ColoVale and HillTop to name a couple of places should be represented by one member, however the new boundaries, place ColoVale and HillTop into the new Macarthur Area.

If you were to know the area, ColoVale and HillTop is only a 10 minute drive from Mittagong, but a 30 minute drive from Picton - the closest town in the Macarthur seat.

I agree with the redistribution to include parts of the Illawarra, however I strongly believe to represent the best possible area, ColoVale and Hilltop needs to be included with Bowral/Mittagong.

I do not think the current or possible new members of a Macarthur seat will travel the long distance to a very small town of ColoVale and Hilltop. It does not fit with the metropolitan style / city living style of the rest of the Macarthur District.

Thanks.
