Subject: My objection to the redistribution of NSW
Importance: High

I, Hilana El Damouni of Granville, strongly object to the proposed redistribution of New South Wales.

I oppose the idea because I favour Laurie Ferguson of Reid, as do many from my community. I am fully aware of Mr Ferguson's activity in my community. He is a great and honest political figure in the area of Reid, and I wish to see the continuation of his service in my community and the area of Reid.
