Subject: Objection to Proposed Changes to North Sydney Federal Boundary

We object to the proposed changes which affect Young St Cremorne, NSW.

Regardless of your perceptions, we do not have more community and regional interest with voters from Manly Vale, Allambie and Brookvale as they are several kms away from our residence.

As a family, we shop and socialise in Crows Nest and Cammeray, attend/coordinate kids sporting events in these areas and use utilities such as North Sydney pool in Milsons Point.

I suspect that we are on the border of the proposed boundaries and feel that we would be least serviced by the changes for Warringah and the majority of issues affecting those in Manly Vale, Allambie and Brookvale would not be relevant to us here in Young St.
