**Subject:** Protest re. Seat of Reid

Dear Sir or Ma'am-

I am a member of the Granville Historica Society of Sydney, a former postgraduate of the University of Melbourne, (and have thus lived in Australia), as a result of which, I have made Australia my home and intend to return and live there. I now consider myself 'Australian' and the proudest day of my life will be when I take the oath of citizenship.

Might I add that I am writing my thesis, (hopefully to publish as a book), about the former Premier of NSW and former MP for Reid, the Hon. Jack Lang.

Being aware that the Federal seat of Reid is proposed to be abolished in a redistribution, I must protest in the most vigorous manner against such. The seat is one of the oldest bastions of democracy in Australia and has connectedness to very historical persons in our history, ie. Lang, Sir George Reid and Tom Uren.

To abolish the seat would be a grave mistake, in my humble opinion.

Yours respectively,

G.E. LEFURGY.
