Australian Electoral Commission  
Attn: Redistribution Secretariat.

Dear Sirs,

We wish to comment on the proposed Federal Electorate change for North Sydney voters.

Under the criteria that the Redistribution Committee has used for the proposed new electoral divisions, both North Sydney and Warringah meet the criteria without any change occurring and will meet the tolerance for projected enrolments in 2012.

We DO NOT support the proposed redistribution which would move us from the North Sydney Electorate to the Warringah electorate.

We DO NOT see that our best interests are served by linking us with citizens north of Middle Harbour; ie, we are not necessarily communities with united interests. Our present interests lie with the districts of Cammeray, Milsons Point and Crows Nest; ie, closer to the City.
