The Australian Electoral Commission
 PO Box K408
 HAYMARKET NSW 1240

TO WHOM IT MAY CONCERN.

I am writing to the Members of the Selection Panel of the Electoral Commission to express my disappointment at their lack of understanding of the overall needs of Gilmore.

Obviously the Panel has not had the availability to view at first hand the actual area in question and I wish you would have taken the time to travel through the areas concerned and assessed the responsibility of Government to service the residents who live in the area. If you had then you would realise the complete contrast.

The concept to mix a Outer Sydney Suburb with the Rural and Country Town is an impossible task for any Representative of Government irrespective what Political Party would be impossible the needs are so different..I am sure you will agree.

I live in Burrier area extreme Rural/Bushland and Shellharbour Barrack Heights area surban denisty housing and our needs are worlds apart.

Bringing the Shoalhaven and Wingecarribee LGAs together in the Division of Gilmore would mean the interests, common to our rural communities are directly represented in the parliament

I am the President of the NSW Order of Australia SHOALHAVEN DIVISION and the Members cannot understand how such a decision could have been made if the Selection Panel Members had done some actual onsite inspections of the areas.

Please consider for the overall benefit of all residents.

Thank You for reading my request..

Sincerely

Betty Berg
 (Mrs Betty L. Berg OAM)
