Subject: redistribution

why would you want to make our area bigger as our member has to cover an area of 45,000 square km. Why don't you do an area in Sydney that is only a small area but don't have the people numbers.

We should have a right to our local member but one person can't possibly see everyone in an area that big.

I can't see why you would even consider it. Kay Hull is one of the best federal members there is. Some of the others should take a leaf out of her book.

PEOPLE IN THE COUNTRY SHOULD BE ABLE TO HAVE SAME REPRESENTATION AS CITY PEOPLE DO. CAN'T GET THAT IF THERE MEMBER HAS TO COVER OVER 45000km THAT A JOKE from Lindsay Merkel
