I wish to speak against the proposal to abolish the Federal Seat of Riverina.

Regarding country seats, distances of area should be considered rather than the number of voters.

If there isn't to be an extension of the present number of seats, there should be a general overhaul of all country and city seats, to enlarge areas and voters to accommodate the growing population.

Transferring a country N. S.W. seat to Queensland is unacceptable.

Yours faithfully
R. K. Kohlhaagen.
