Re ELECTORAL BOUNDARY CHANGES. RIVERINA ELECTORATE

In regard to the loss of a Federal seat from New South Wales, we wish to protest the loss of a rural seat.

We live in a small village out of Cootamundra, and are heartily tired of going from electorate to electorate whenever there is a distribution. At one time our area was the boundary for both state and federal electorates. It gets very confusing.

Having been a market research interviewer for many years, I can attest to the fact that a good number of respondents have no idea of which electorate they were in. I eventually took a map to show them the boundaries.

The work done by our representatives in country electorates is beyond the call of duty, whether they be Labour or Liberal. Please don't make their jobs harder. Our member lives 115ks away and is available whenever we need her. She works jolly hard.

Please change boundaries in the NSW corridor - Newcastle - Sydney - Wollongong!

Sincerely
