Dear Sir/Madam

**KENNEDY ELECTORATE**

The City of Mount Isa would oppose any portion of our electorate going within the seat of Maranoa.

Such a proposal would severely limit our representation given that the major areas of population appear to be closer to Sydney and Melbourne than they are to Mount Isa.

It is Council's strong view that Mount Isa should remain in Kennedy with the mid-west, gulf, tablelands and coastal areas.

Yours faithfully

Duncan Cunningham  
**Acting Mayor**
