Dear Sir,

Catherine Lawler writing to your office, my concern in relation to the proposed new electoral boundaries.

Lockyer Valley is a very important rural area, and as such, I strongly oppose this electoral area being attached, to such places, as Tamborine. The connection is not in the best interest of Gatton Laidley people and the surrounding areas.

I consider, a much better plan is to keep all rural areas together.

The benefit, of that measure would be seen to be the best outcome.

People near Gold Coast area's are not interest in farming pursuits.

Please make a proper adjustment and keep Lockyer Valley within a rural area.

Please acknowledge.

Yours Faithfully

Ms C Lawler
