Dear Qld Redistribution Committee

My only suggestion to this year's Qld redistribution is that the committee not be intimidated by those who are unaware of her and name the new division after the great Qld poet Judith Wright. I am aware that her name was proposed at the 2006 redistribution and apparently some people thought that the name referred to the former Qld Opposition Leader and Federal member Mr Keith Wright. If the new division is located further south than Flynn was to be, the electors may be more enlightened. At any rate, it is a fitting tribute to a great Australian.

Yours sincerely
