Subject: comment on public suggestions murray distribution

Dear Committee

I support very strongly the views put forward by Craig Rickard that Loddon shire be transferred to the division of Mallee and that Murray division take the remaining portion of Moira shire as well as the whole of Strathbogie shire and a portion of Benalla from Indi.

Being involved in business this seems to me to be a more natural basis for serving the community as well as maintaining the divisions relationship with the river after which it is named

yours sincerely

Marty Richardson
