

NOTICE OF PARTY REGISTRATION DECISION
APPLICATION TO REGISTER A PARTY IN THE *REGISTER OF*
***POLITICAL PARTIES* APPROVED**
POWER 2 PEOPLE

Notice of decision under s 133(1) of the *Commonwealth Electoral Act 1918*
(Electoral Act) and Statement of Reasons

1. I am writing in accordance with s 133(1) of the Electoral Act to notify you of the determination of the application to register Power 2 People (the Party), a non-Parliamentary party, in the *Register of Political Parties* (the Register).
2. I am authorised to determine this application for party registration (the Application) under Part XI of the Electoral Act as a delegate of the Electoral Commission.

Decision

3. I have decided to approve the Application. Consequently, I have entered the following party in the Register:

Name of party:	Power 2 People
Party abbreviation:	P2P
Registered Officer:	Mrs Deborah Marina Cook
Registered Officer's address:	Suite 1248, 17 Gould Road HERSTON QLD 4006
Party logo:	
The party stated that it wishes to receive election funding:	Yes

Materials I have taken into account

4. In making this decision, I had regard to:
 - the Application received by the Australian Electoral Commission (the AEC) on 19 February 2025;
 - the membership list and logo supplied on 18 March 2025;
 - the results of the testing of the Party's membership list conducted by the AEC in accordance with the sampling methodology developed by the Australian Bureau of Statistics (the ABS);
 - Parts I and XI of the Electoral Act;
 - the Register and the Register of Political Parties of each Australian State and Territory;
 - the operation of s 127 of the Electoral Act due to the issue of writs for the 2025 federal election;
 - the *Commonwealth Electoral (Logo Requirements) Determination 2016*;
 - internet searches of trademarked and licenced logos undertaken by a service provider engaged by the AEC; and

- the AEC's *Guide for registering a party*.

Findings of Fact and Consideration

5. On the material before me, I make the following findings:

Procedural application requirements

6. I am satisfied that the Application meets the requirements of ss 126(2)(a)–(g) of the Electoral Act. The Application:
- was in writing, signed by the applicants (s 126(2));
 - set out the name of the Party (s 126(2)(a));
 - set out an abbreviation of the name of the Party (s 126(2)(b));
 - set out a logo of the Party (s 126(2)(ba));
 - set out the name and address of the person who is to be the Registered Officer of the Party for the purposes of the Electoral Act (s 126(2)(c));
 - included a list of the names of at least 1,500 members of the Party to be relied on for the purposes of registration (s 126(2)(ca));
 - stated that the Party wishes to receive moneys under Division 3 of Part XX of the Electoral Act (s 126(2)(d));
 - set out the names and addresses of the applicants and particulars of the capacity in which each applicant makes the Application (s 126(2)(e));
 - was accompanied by a copy of the constitution of the Party (s 126(2)(f)); and
 - was accompanied by a fee of \$500 (s 126(2)(g)).

Membership list

7. The membership list submitted for the Application supplied on 18 March 2025 contained 1,650 names of people that the Party considers to be current members (referred to as 'members' below). AEC staff cross-checked this membership list with the Commonwealth Electoral Roll (electoral roll), as required by the meaning of 'member of a political party' in s 123(3) of the Electoral Act.

Submitted membership list	1,650
Automatically matched to the electoral roll	1,576
Manually matched to the electoral roll	67
Deceased	(1)
Not enrolled to vote	(2)
Not found on electoral roll	(4)
Total matched to the electoral roll	1,643

8. In accordance with s 123A of the Electoral Act, in determining whether a political party has at least 1,500 members, the same member may not be relied on by more than one party. If an individual is a member of more than one political party, only the party nominated by the member may rely on the individual as a member. No party may rely on the individual as a member if the individual does not nominate a party after at least 30 days.
9. Testing was conducted to identify members who are under 18 years old, are duplicate entries within the membership list, and/or have previously supported the registration of a registered non-Parliamentary party (or parties). After comparing the Party's membership list with other non-Parliamentary parties' membership lists it was found that 26 members were identified as supporting the registration of other political parties:

Total matched to the electoral roll (duplicates removed)	1,643
Under 18 years old	(0)
Duplicates identified in the membership list provided by the Party	(8)
Members identified as also supporting the registration of another party	(26)
Sub-total	1,609

10. The AEC wrote to the 26 members identified as also supporting the registration of another party to determine which party they supported for the purpose of being relied upon for registration. The results of the cross-party membership testing are as follows:

Total matched to the electoral roll	1,609
Affirmed support of the registration of the Party (included on membership list)	7
Denied supporting the Party for the purposes of registration (excluded from membership list)	(10)
Did not respond (excluded from membership list)	(9)
Total number of members on list after contacting cross-party duplicates	1,616

11. A list of 1,616 members requires contact with a random sample of 53 members under the formula provided by the ABS. For the AEC to be satisfied that the Party has the required 1,500 members, up to seven denials of membership are permitted.

The relevant numbers for this membership test were:	Members
The random sample size	53
Maximum number of denials permitted	7
Contact attempts made*	74
Responses received	
- Confirmed Membership	50
- Denied Membership	7
PASS/FAIL	PASS

*as some members were uncontactable.

12. The Party passed membership testing as it received 46 confirmations of membership and 7 denials of membership (a maximum of 7 denials were permitted).
13. After the AEC had made the 53 contacts required under the ABS membership testing methodology, four previously uncontactable members responded to the AEC's earlier attempted contact, all affirming their membership of the Party. In total, the AEC received 57 responses; these additional responses, consistent with the formula provided by the ABS, did not alter the outcome of passing membership testing.
14. Accordingly, I am satisfied that the Party has at least 1,500 members and the Application meets the requirements of s 126(2)(ca) of the Electoral Act.

Party constitution

15. A copy of the constitution of the Party accompanied the Application as required by s 126(2)(f) of the Electoral Act. The constitution provided in the Application:
- is in writing; and
 - sets out the aims of the Party, at least one of which being the promotion of the election of its candidates to the Senate and/or House of Representatives.
16. Accordingly, I am satisfied that the Party meets the requirements of having a written constitution in accordance with the definition of *eligible political party* at s 123(1) of the Electoral Act and the definition of *political party* at s 4 of the Electoral Act.

Party name and abbreviation

17. When undertaking an initial assessment of the Application, the Party's proposed name and proposed abbreviation was considered against the requirements of s 129 of the Electoral Act, and the Register and the registers for each State and Territory were reviewed for parties with a similar name, abbreviation or acronym.
18. The Party name, Power 2 People, and abbreviation, P2P:
- do not comprise more than 6 words;
 - are not obscene, frivolous or vexatious;
 - are not the name, or an abbreviation or acronym of the name, of another political party (not being a political party that is related to the Party) that is a recognised political party;
 - do not so nearly resemble the name, or an abbreviation or acronym of the name, of another political party (not being a political party that is related to the Party) that is a recognised political party that it is likely to be confused with or mistaken for that name or that abbreviation or acronym;
 - are not one that a reasonable person would think suggests a connection or relationship exists between the Party and a registered party;
 - do not comprise the words "Independent Party";
 - do not comprise or contain the word "Independent" and the:
 - name, or abbreviation or acronym of the name, of a recognised political party; or
 - matter that so nearly resembles the name, or an abbreviation or acronym of the name, of a recognised political party that the matter is likely to be confused with or mistaken for that name or that abbreviation or acronym.
 - do not contain a word that is in the name, or the abbreviation of the name, of a registered political party that requires consent from an existing registered political party.
19. Under s 129(5)(b) of the Electoral Act, 'a collective noun for people', does not require consent. Schedule 1, paragraphs 13 and 15 of the Explanatory Memorandum to the *Electoral Legislation Amendment (Party Registration Integrity) Act 2021*, 'Collective noun for people' is intended to include words including, but not limited to 'Party', 'Group', 'Alliance', 'Network' and 'Team', and therefore 'People' does not require consent.
20. 'Power' and '2' are not used by any federally registered party, and as such, do not require letters of consent under s 129(3)(b) of the Electoral Act.

Party logo

21. The logo set out in the Application:
- is not obscene;
 - is not the logo of any other person;
 - does not so nearly resemble the logo of any other person that it is likely to be confused with or mistaken for that logo;
 - is not one that a reasonable person would think suggests that a connection or relationship exists between the Party and a registered political party if that connection or relationship does not in fact exist;
 - does not comprise the words "Independent Party";
 - does not comprise or contain the word "Independent" and the:

- name, or abbreviation or acronym of the name, of a recognised political party; or
- matter that so nearly resembles the name, or an abbreviation or acronym of the name, of a recognised political party that the matter is likely to be confused with or mistaken for that name or that abbreviation or acronym;
- does not contain a word that is in the name, or the abbreviation of the name, of a registered political party and therefore does not require consent from an existing registered political party;
- is in black and white;
- is in a vector graphic in electronic format;
- is 100% black in a CMYK colour space;
- is contained within a frame of 10 mm by 10 mm;
- is able to be reproduced correctly within a frame of 7 mm by 7 mm;
- does not include live text, transparency, overprinting, custom halftone, transfer curve or colour profile settings; and
- is in a PDF file, of less than 5 megabytes, that complies with International Standard ISO 32000-1:2008 as in force at the time of the commencement of the *Commonwealth Electoral (Logo Requirements) Determination 2016*.

Written particulars

22. Section 132(2)(b) of the Electoral Act provides that a person can only submit written particulars objecting to an application to register a party (or a logo in the case of point (iv)) on the following grounds:
 - (i) the application does not relate to an eligible political party; or
 - (ii) the application is not in accordance with s 126 of the Electoral Act; or
 - (iii) the application should be refused under s 129 of the Electoral Act; or
 - (iv) the Electoral Commission should refuse to enter a logo of the party in the Register under s 129A of the Electoral Act.
23. Section 132(7) of the Electoral Act provides that the Electoral Commission shall not register a political party unless it has considered any particulars submitted objecting to a party's registration, and any reply to particulars that may have been submitted. Section 132 of the Electoral Act also outlines the requirements for submitting and processing objections to an application.
24. On 29 September 2025, the application was advertised in 10 major newspapers circulating in each State and Territory of Australia and published on the AEC website. The closing date for written particulars objecting to the application was 29 October 2025.
25. Written particulars must also meet the following administrative requirements under ss 132(2)–(3) of the Electoral Act:
 - be in writing;
 - be signed by the person (either physically, or electronically as per s 10(1) of the *Electronic Transactions Act 1999*);
 - specify a postal address of the objector that does not consist of a post office box number (noting the definition of 'address' in s 123(1) of the Electoral Act and the postal service requirements in s 140(1) of the Electoral Act);
 - be submitted within one-month after the publication of the relevant s 132(1) Notice on the AEC website on 6 February 2025; and

- set out the person's belief that the Application should be refused for a reason listed in s 132(2)(b) of the Electoral Act and provide grounds for that belief.

26. No written particulars objecting to the application were received.

Summary

27. There are two elements to my decision on the Application, as set out in this Statement of Reasons:

- 1) a decision to register the Party under s 133(1); and
- 2) a decision that the Party's logo should not be refused under s 129A.

28. I am satisfied on the materials before me that there is no basis to refuse the Application under Part XI of the Electoral Act.

Approval of the Application

29. For the reasons outlined above, I approve the application from Power 2 People for registration in the Register, as a delegate of the Electoral Commission for the purposes of ss 126(3) and 133(1) of the Electoral Act.

30. Under s 141(2) of the Electoral Act, a person (including an organisation) affected by the decision who is dissatisfied with the decision may make a written application to the Electoral Commission for internal review of this decision within 28 days after the day on which the decision first comes to the notice of that person. There is no fee payable for requesting an internal review.

31. Requests for review of this decision should be addressed to Mr Jeff Pope, Australian Electoral Commissioner, and emailed to commission.secretariat@aec.gov.au or posted to Locked Bag 4007, Canberra City ACT 2601.

How do I request an internal review?

32. In accordance with ss 141(2) and 141(3) of the Electoral Act, an application for review must:

- be in writing;
- specify the name of the applicant;
- specify an address of the applicant; and
- set out the reasons for making the application.

33. If you wish to apply for additional time beyond the 28 days to make an application for review of the delegate's decision, please also include the reasons for the application for additional time.

Who conducts an internal review?

34. The Electoral Commission, which is comprised of three members, the Electoral Commissioner, a judicial member and a non-judicial member, conducts internal reviews.

35. Under s 141(4) of the Electoral Act, the Electoral Commission shall review an application and make a decision to either:

- affirm the decision under review;
- vary the decision under review; or

- set aside the decision under review and make a decision in substitution for the decision set aside.

What can I do if I disagree with the outcome of an internal review?

36. If an internal review decision has been made by the Electoral Commission and you do not agree with that decision, a person whose interests are affected, and who are dissatisfied with the decision made by the Electoral Commission may apply to the Administrative Review Tribunal (ART) for a review of the decision. More information on how to apply to the ART and any applicable fees can be found on its website: www.art.gov.au.
