COMMONSENSE POLICIES FOR AUSTRALIA

26 February 2026

Stuart Oreo
Acting Assistant Commissioner
Registration, Funding & Disclosure Branch
Australian Electoral Commission
Locked Bag 4007
Canberra ACT 2601

Dear Stuart,

Thank you for providing the objection from 03. Ewen, regarding the changing of our registered party's name from Trumpet of Patriots back to Australian Federation Party.

As you are aware, the name Australian Federation Party was the name of our party from 27 February 2020 until its change to Trumpet of Patriots on 3 December 2024. We are now returning our name to the previously approved and registered name Australian Federation Party.

As noted in your letter and advertising of the name change back to Australian Federation Party, objections are only able to be lodged against the application from Trumpet of Patriots to change its name to Australian Federation Party under the following grounds in the Electoral Act 1918:

- the application should be refused under section 129; or
- the application is not in accordance with section 134.

The application to change the name of our party back to Australian Federation Party, meets all requirements of the Commonwealth Electoral Act 1918, No. 27, 1918, Compilation No. 79

- section 129; and
- section 134

There are no legal grounds listed in the complaintant's correspondence that outlines any contravention or grounds under either section to refuse the name change.

On this basis, I request that the name change is approved and proceeds.
