Subject: Proposal to create a third seat for the ACT in the House of Representatives
Date: Friday, 4 May 2018 11:16:15 AM

Dear Electoral Commission Officers

I am writing in response to the proposals to create a third seat for the ACT in the House of Representatives.

The current proposal divides both the Belconnen and Woden town centres and this does not reflect the importance of town centres to the development of the community and character of the ACT.

I support the Canberra Liberals' submission which has clearly demonstrated that a third seat could be accommodated without dividing any of our town centres.

Yours faithfully
Eric W Frith
