To whom it may concern

We wish to commend the augmented Electoral Commission on its attention to the communities of interest as currently represented in northern Victoria. They are also commended for not removing one regional voice in Federal Parliament.

In relation to the remaining rural east section of the Shire of Moira that is not currently part of the electorate of Murray, it would make sense to include the small communities totalling approximately 800 people in the electorate of Murray in line with their community of interest links with the township of Yarrawonga.

Yours sincerely

Adrian Falsetta, Shepparton Liberal Party Branch President
William Parsons, Chairman Murray Federal Electorate Conference
