How to make your vote count

On election day, you will receive two ballot papers: a green one for the House of Representatives and a white one for the Senate.

On the green ballot paper, you need to put a ‘1’ in the box beside the candidate who is your first choice, ‘2’ in the box beside your second choice and so on, until you have numbered every box.

You must number every box for your vote to count.

Don’t worry if you make a mistake – just ask for another ballot paper.
On the **white ballot paper** you have a choice of two ways to vote:

**Above the line**
Number at least 6 boxes in the order of your choice.

---

**Below the line**
Number at least 12 boxes in the order of your choice.

---

Don’t worry if you make a mistake – just ask for another ballot paper.
