Dear Ms Greer (cc FAD, Shawn O'Brien and AD National Secretary, Roger Howe),

I refer to your letter of 8 April 2013 and note your request for documents made available and relating to this dispute, to be kept confidential.

I have been directed to the following links amongst others on the AEC website and visible to the public via a search of 'registered officers' on the AEC website. This search brings up 482 documents, a number of which appear to relate to the dispute.

http://www.aec.gov.au/About_AEC/foi/files/ls4542/IS4542-doc-no-47.pdf

http://www.aec.gov.au/About_AEC/foi/files/ls4542/IS4542-doc-no-67.pdf

http://www.aec.gov.au/About_AEC/foi/files/ls4542/IS4542-doc-no-38.pdf

I am concerned that their publication may prejudice existing members of the Australian Democrats. I do note that redactions have been made e. g. doc-no-12. However, I am conveying to members the need to continue respecting the process and to maintain the confidentiality limitations that this requires. Your assistance would be appreciated in removing all related documents from the public domain until your determination is made.

Thank you.

Regards,
Darren
