Item 1 – Welcome

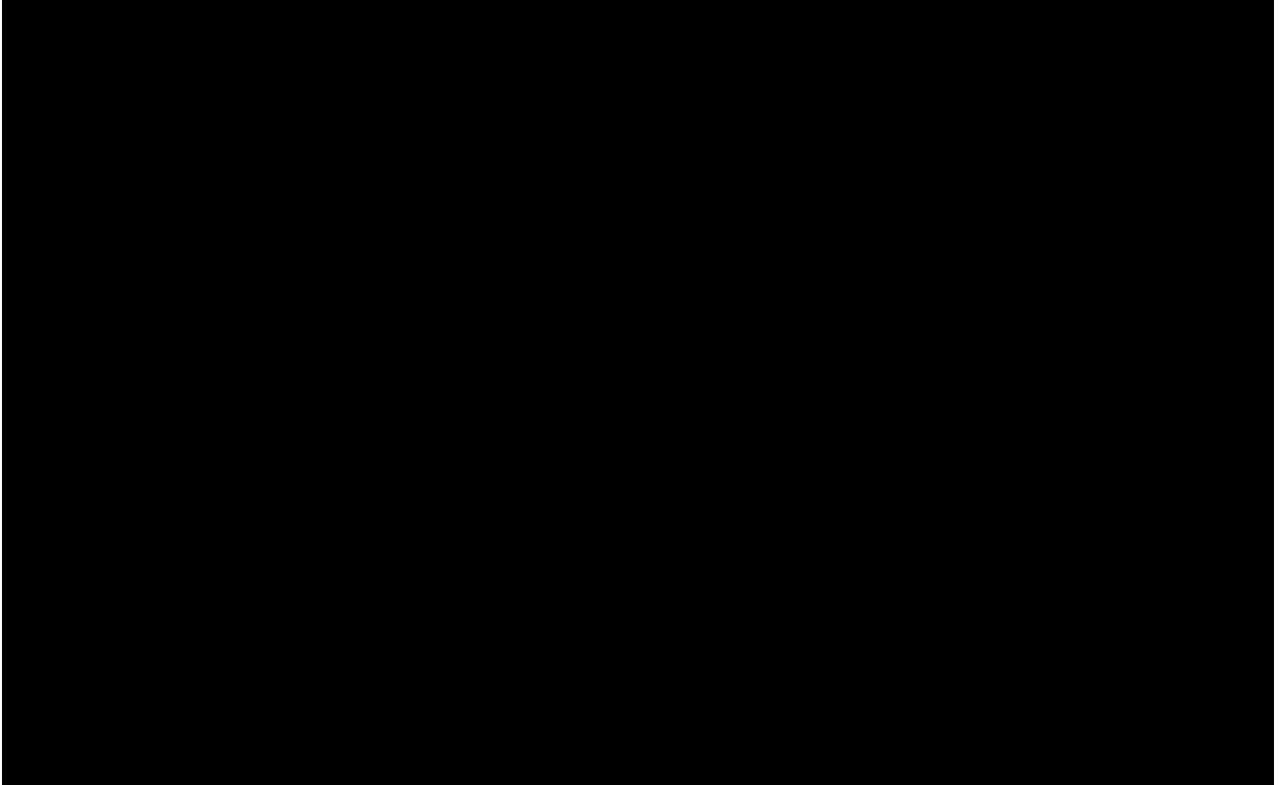

Item 2 – Conflict of interest

Item 3 – Minutes and action items

Item 4 – Names of divisions

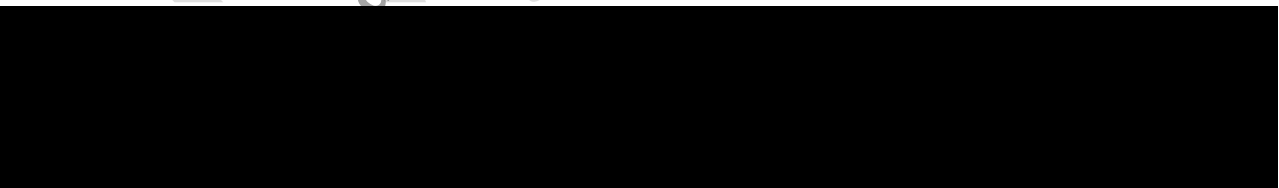

Division of Fraser

The Committee discussed whether there were strong reasons to change the name of the Division of Fenner.

The Committee noted that retiring the name of 'Fraser' would provide the opportunity for this name to be used during the next Victorian redistribution to recognise the former Prime Minister, Malcom Fraser, who had a strong connection to Victoria. The Committee noted that this approach would be consistent with the guidelines.

The Committee unanimously agreed to retire the name of 'Fraser' and replace it with 'Fenner'.

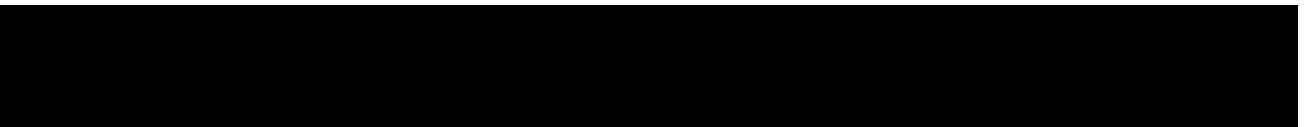

Other matters re division names

The Committee requested the Secretariat to contact a descendent of Frank Fenner to see if the family would be agreeable to an electoral division being named after him.

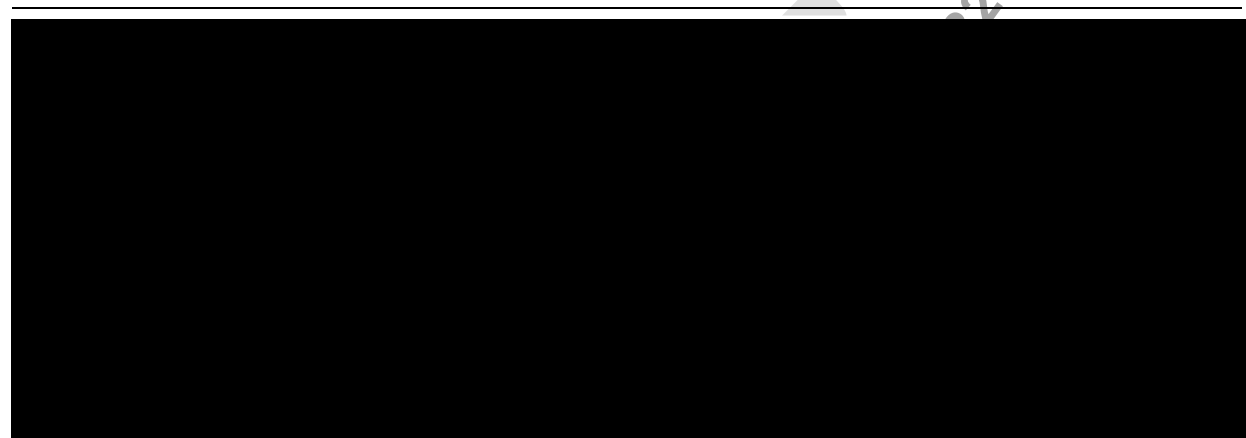

Item 5 – Sample report

Item 6 – Actions to be undertaken by the next meeting

Action	Officer
The Secretariat is to make contact with Frank Fenner's descendent to determine if the family would be agreeable to an electoral division being named after him.	Secretariat
