Re: Notice under Section 110E of the Referendum (Machinery Provisions) Act 1984

Dear s47F

We write on behalf of Meta Platforms, Inc. (“Meta”), which is in receipt of your notice (“Notice”) under Section 110E of the *Referendum (Machinery Provisions) Act 1984*.

We understand that the Notice seeks production of certain information regarding the individual responsible for the Facebook page s47F (“Page”), identified by Uniform Resource Locator (“URL”) s47F and a private Facebook group titled s47F (“Group”), identified by URL s47F. The Notice requests Meta respond by August 14, 2023.

Unfortunately, as Meta only received the Notice on August 4, 2023, it will be unable to review and complete its internal investigations within the timeframe provided in the Notice. Meta understands the seriousness of your request and requests a reasonable extension to respond by September 4, 2023.

Please note that we are not authorized to accept service of any proceedings or documents on behalf of Meta, or any other Meta entity. Meta expressly reserves its rights.

Sincerely,

s47F
