Dear s47F,

As part of Google's ongoing commitment to political election integrity, and in support of the AEC's work, I had wanted to share how Google is working to ensure that in the leadup to The Voice Referendum on 14 October we are surfacing ways to help Australians participate and stay well informed, supporting the integrity of the voting process, and helping campaigns manage their presence online.

We have published a [blog](#), and would be happy to answer any questions.

warm regards,

s47F
