To the Redistribution Committee for
New South Wales,
Australian Electoral Commission

Thank you for the opportunity to
comment.

I support the submissions from MP
Zali Steggal and MP Kylea Tink.

Both emphasise the importance of
keeping **North Sydney** intact as a
federal electorate as it is cohesive
economically, demographically and
politically. I note the primary
suggestion to abolish North Sydney
came from the NSW National Party
making it certain to be perceived as
politically motivated.

I support their suggestions to rejig the
new boundaries of the **Warringah
Electorate**, so it would be less altered
from what is now a cohesive and well
functioning whole.

I support the suggestion to merge
Bradfield and **Berowra Electorates** to
achieve the required loss of one
Federal seat in New South Wales.

Yours sincerely
