Dear Redistribution Committee,

I write to object to the proposal to take northern areas from the division of Warringah, in particular North Curl Curl and the proposal to abolish the seat of North Sydney in the NSW federal redistribution.

As a community member residing in **Manly**, I am concerned that the suggestions proposing abolishing either Warringah or North Sydney are politically motivated rather than focussed on accommodating expected growth, keeping together or improving representation of existing communities of interest and use of readily identifiable features.

It is imperative that the composition of the House of Representatives accurately reflects the Australian population and upholds principles of gender equality and diversity. I am concerned that the current AEC proposal includes the abolition of two electorates represented by women, which does not align with the diversity of our society. I do not support either the divisions of Warringah or North Sydney being considered to be abolished.

Kind regards

ANN FRASER
