Objection 407

Please seriously consider the following reasons for Carlingford to remain in the Bennelong electorate.

Residing in this area closer to Epping Town Centre for over 40 years, across generations we have strong common community interests across economics, social, and regional considerations. Also, means of communication and travel, and the physical features and areas of the proposal.

1. Objection to Berowra crossing the M2 into the Epping Town Centre.
2. A strong community of interest between Epping, Eastwood, Marsfield and Carlingford - with a weaker link to the region north of the M2.
3. Splitting the suburb of Epping across 2 federal electorates, given the years of work to keep single-seat representation in the Epping Town Centre across the 3 levels of Government.

Yours sincerely
