Dear AEC,

**RE: OBJECTION FOR THE 2023-2024 NSW FEDERAL REDISTRIBUTION FOR
BENNELONG**

I refer to the above and hereby tender my objection in relation to the redistribution of Bennelong to exclude part of North Epping and Carlingford which have traditionally been part of the Bennelong electorate area.

The reason being that such redistribution would diminish social cohesion and would adversely affect the community's sense of social inclusiveness and civil engagement.

Yours truly,

DR FELIX LO
