Australian Electoral Commission

Ladies and Gentlemen,

My family and I have lived in North Sydney since 1986 and I have lived in North Sydney since early childhood from 1949.

We are active members of the North Sydney community, particularly in our association with North Sydney Catholic parish.

I do not believe that amalgamation of North Sydney with different communities represented by Bennelong Warringah and Mosman is likely to be in the best interests of our North Sydney community.

North Sydney population is expected to grow significantly with increasing requirements being placed upon us for additional affordable housing together with increased sporting and cultural activities being centred in North Sydney.

Accordingly, I respectfully request that North Sydney electorate remain as a separate elctorate.

Yours faithfully,

[REDACTED]

Norbert Kelvin
