Hello,

I have been advised that recently, the Australian Electoral Commission released a report proposing to abolish our Federal seat of Higgins, planning to split the City of Glen Eira up into different electorates in Melbourne. I object to Murrumbeena being divided and being made part of Hotham for the following reasons:

- **Our community will be split, as will important issues we face together such as transport, economic issues, sporting and cultural ties.**
- **Glen Eira is a unique and vibrant community and to lose our representation at a federal level would mean less people fighting for the things our community need. We could be represented by someone who is not familiar with the area of Murrumbeena at all.**
- **The seat of Higgins has significant historical importance, having been held by 2 previous Prime Ministers**

I DO NOT accept this proposal and ask that the new boundaries be reconsidered and for Murrumbeena to stay as one community.

Regards,

Lisa Driscoll
