I would like to register my dissent to the proposed break up of the Higgins electorate.

I have lived in the area now for over 20 years and appreciate the unique identity and needs of the area, that would be diminished and lost if combined with the interests of those communities represented by electorates involved in the proposal.

Our community requires strong representation at a Federal level, to abolish Higgins, will only serve to reduce our voice to a raspy whisper.

Please save the Higgins electorate.

Regards
Karen Norman
