Details: Tasmania is a curious state in that it is home to Australias only non contiguous seat in Franklin. there were 3 options go for minimal change as preferred by the AEC, go for big change and fix the problem permanently or meet somewhere in the middle and do a bit now and the rest later. ive chosen to go for the latter option. hopefully offering some change but not radical change will be acceptable to the commission to help solve this issue in the medium tern, therefore i propose the following. Move the LGAs of Sorell, Richmond and Tasman into the division of Franklin from Lyons. Move the remainder of the LGA of Huon Valley into Lyons from Franklin. Move the parts of the LGA of Kingborough west of the North West Bay River including Bruny island into Clark from Franklin. Move the Sa1s 60203106418, 60203106411, 60203106414, 60203106418, 60203106410, 60203106413, 60203106406, 60203106407, 60203106401, 60203106422, 60203106408, 60203106421 and 60203106409 from Lyons into Bass. Braddon remains unchanged.
