looking at the boundaries, it doesn't make much sense to me for Bass to gain the Break O'Day local government area but not Blackstone Heights and Prospect Vale. So my feedback is that Bass should gain Blackstone Heights and Prospect Vale and NOT gain Break O'Day. In terms of political representation, it makes more sense to me to give Bass a more Launceston focus, the local issues on the east coast are more Lyon's and rural in my opinion where as Bass could have a stronger city and Tamar/kanamaluka focus, and function more like Clarke does in the south. Ok, Bass already includes Dorset so Break o Day + Dorset makes some sense and the boundary of local council's Meander and North midland, I can also see why you would keep that but anyway, that's my immediate reaction.
