Submission on the proposed Tasmanian redistribution details

Category: Names
Details: I am writing in support of the name change from Franklin to Tongerlongeter. Thank you for proposing this change. Tongerlongeter's leadership and resistance to colonisation make his a fitting name to remember. The change goes some way to removing from authority a colonial figure whose actions as Governor of Tasmania were closely tied with continuing the dispossession and death of Lutruwita's traditional owners. I hope the name change is widely supported.
