Submission on the proposed Tasmanian redistribution details

Category: Names

Details: I wish to lodge an objection to
A: the renaming of Franklin. This name does not need to be retired, honours a prominent Tasmanian historical figure & the costs and work hours spent on this matter do not need to take place if the name is left as it is.

B: I have concerns relating to the new choice of name 'Tongerlongeter'. I believe that the details behind this choice in name are lacking and the conflict on which he was a part may have involved the killing of women and children. As such, I don't believe this name should be the one selected IF the AEC are determined to rename the electorate 'for the sake of change'.
