Submission on the proposed Tasmanian redistribution details

Category: Names

Details: I am against changing the name of the Franklin electorate.
Franklin is a federation seat named after an early governor .Sir John Franklin was a polar Explorer and Lt Governor of Van Land 1843 -1846.
Why do we need to show disrespect and take mr. Franklins name out of the electorate.
Why can't we keep the name and also honor Tongerlongeter by erecting a statue to recognise his part in the history of this area.
