Submission on the proposed Tasmanian redistribution details

Category: Names
Details: I respectfully submit that the name Franklin should be retained. While I support recognising Aboriginal heritage through appropriate place and electorate names, I do not believe this requires replacing established names that also reflect Australias and Tasmanias European history. The current name has longstanding community recognition and historical significance. Retaining Franklin acknowledges an important part of our shared heritage while allowing opportunities to recognise Aboriginal history through other naming decisions. I therefore ask the Committee to retain the existing name of the Division of Franklin.
