I object to the change of name of Franklin. I see no reason we should be inflicted with a long new name for the sake of appearing to follow the trend where everything is of aboriginal origin. It has been pointed out how much John Franklin contributed to our community in the past helping to establish Hobart as we know it now. With all due respect I cannot see what contribution an aboriginal chief has contributed to our current society. I believe this aboriginal chief did his fair share of killing people during his time.
