Submission on the proposed Tasmanian redistribution details

Category: Names
Details: The TAC is against renaming Franklin to be Tongerlongeter; it would seem to the height of colonialism to steal the name of an Aboriginal hero against the wishes of his community. Therefore, Rooke would seem a more suitable name (especially given the other electorates all honour men, with the only argument being that Lyons honours both). Of course, Rooke would more naturally be in the North West of the state but the principle stands given that is the electorate for renaming.
