Submission on the proposed Tasmanian redistribution details

Category: Names

Details: I object to the proposed renaming of the federal electorate of Franklin to Tongerlongeter. Franklin is one of Tasmania's original Federation electorates and has over 120 years of history. I believe the name should be retained because of its historical significance and the continuity it provides for voters. While I recognise the importance of acknowledging Aboriginal history, I believe this can be achieved through other means without renaming a long-established electorate. I therefore request that the Australian Electoral Commission retain the name Franklin.
